Agenda Item	Outcome
Review Charges for Committee	Committee Charges Reviewed Discussed need for faculty to submit curricular changes by September 14 th this semester allowing committee members time to review and then discuss the proposal at our meetings. This will allow proposal to move forward possibly at the NFO following the meeting if there are no recommendations or in October if there are any changes to be made. Both would move the proposed changes in a timely manner. In January the submission date is the 18 th due on the 25 th .
Time set for meetings	Meetings will be Fridays from 1-2 prior to the NFO meeting. (Looking at the committee calendar from Senate. NFO is on the 4 th Friday in February at this time; Feb 22 although Senate is on the 15 th .)
