**In the text box below, please complete your annual assessment summary in which you close the loop on each outcome from the previous years' SMART. Please see the information tab ("i") for additional details.:**

**Goal 1. The student will use effective situational communication.**

This outcome is being met. Students consistently rated themselves as satisfactorily meeting the program outcome for FY 2014, 2015, 2016, and 2017. Students scored above the 850 benchmark on communication-related areas of the NCLEX-RN simulation exam over FY 2014, 2015, 2016, and 2017. Because the overall goal has been met for the 2014-2017 years, Undergraduate faculty will continue to monitor.

**Goal 2. The student will incorporate best current evidence with clinical expertise and client preferences and values.**

This outcome is being met. Students consistently rated themselves as satisfactorily meeting the program outcome for FY 2014, 2015, 2016, and 2017. Students scored above the 850 benchmark on all best current evidence-related areas of the NCLEX-RN simulation exam over FY 2014-2017. Because the overall goal has been met for FY 2014-2017 years, Undergraduate faculty will continue to monitor.

**Goal 3. The student will apply principles of leadership, quality improvement, and client safety to monitor and improve outcomes of nursing care.**

This outcome is being met. Students consistently rated themselves as satisfactorily meeting the program outcome for FY 2014, 2015, 2016, and 2017. Students scored above the 850 benchmark on all leadership-related areas of the NCLEX-RN simulation exam over FY 2014-2017. Because the overall goal has been met for the 2014-2017 years, Undergraduate faculty will continue to monitor.

**Goal 4. The student will demonstrate professional nursing values of altruism, autonomy, human dignity, integrity and social justice.**

This outcome is being met. Students consistently rated themselves as satisfactorily meeting the program outcome for FY 2014, 2015, 2016, and 2017. Students scored above the 850 benchmark on all ethics-related areas of the NCLEX-RN simulation exam over the FY 2014-2017. Because the overall goal has been met for FY 2014-2017 years, Undergraduate faculty will continue to monitor.

**Goal 5. The student will provide culturally and spiritually sensitive care.**
