

## January 25<sup>th</sup> NFO Meeting – GCANS

The new cohort panel was held on the 14<sup>th</sup>. GCANS exec members really enjoyed getting to meet the new cohort and help with any questions or confusion they may have had. The students had many great questions and took advantage of the opportunity. A wide range of questions were covered, and the students seem ready to start the semester off strong. Overall, the students responded well and seemed to enjoy the chance to ask questions. The first executive board meeting will be held on January 30<sup>th</sup> and the first GCANS meeting will be on February 6<sup>th</sup>. We are looking forward to a great semester!
