Course was not taught in Fall 18 due to curriculum change.  <b>Clinical Experience Concern:</b> “It is difficult to get clinical time at Navicent in Macon”  <b>Course outcomes:</b> One outcome not met. “Inter-professional communication” 836 with 11 items”. Goal was to have class average above 850 on this thread on HESI exam.  *No recommendations made*
NRSG 4780	Yes	A – 43/63	This is a non-clinical course.	4/4 course outcomes were met.	<b>Recommendation:</b> Decrease the class size to match size of other non-clinical courses. The class size for spring was 63 students. Request is to create 2 sections of the course with 28 students in each section.  <b>Concerns:</b> The west campus classroom was not conducive for active learning and also did not accommodate all 63 students. Some students had to sit on the floor due to this.  The second classroom arrangement was the Arts and Sciences Auditorium had a safety hazard related to
