Begins September 24
- Add a module...

- Diapering (1:30 min) Video ✓
- How To Swaddle a Newborn 3 ways - 3 min Video ✓
- How to Bathe a Newborn (5 min) Video ✓
- Caring for your baby (from Dartmouth Hitchcock Birthing Center) 24 min (GCSU students- SEE NOTES BELOW!) Video ✓

This video is specific to a certain Birthing center, but the info is EXCELLENT for general info related to safety, infection control, typical procedures and treatments during newborn hospitalization, etc. This video will give you a good base of information and words to use when educating parents. Make sure you start at the BEGINNING- sometimes it jumps to midway through. Watch the video to the end- Content from this video will be included in the expectations as outlined in the plans for Boot Camp day.
- Breastfeeding "LATCH" (5 min) Video ✓
- How to bottle feed/burp a newborn baby (5 min) Video ✓
